PROFESSIONAL SUMMARY

Tech-driven innovator passionate about AI, fintech, and problem-solving. With hands-on experience across startups and engineering projects, building practical, high-impact solutions that blend intelligence and usability. Constantly exploring emerging technologies, aiming to create tools that empower people, enhance systems, and shape a smarter digital future.

EDUCATION

Bachelor of Technology (Artificial intelligence)	2024 - 2025
Newton School of Technology, Rishihood University	Grade: 8.5/10.0
Intermediate (Class XII)	2023 - 2024
Bhavans Gangabux Kanoria Vidyamandir	Grade: 91.0%
Matriculation (Class X)	2021 - 2022
Bhavans Gangabux Kanoria Vidyamandir	Grade: 93.0%

EXPERIENCE

Member January 2026 - Present
AIESEC *Delhi, India*

At **AIESEC**, I worked in the International Global Teacher Exchange (IGTE) department, contributing to initiatives that facilitate global teaching opportunities in India. My role involved engaging with educational institutions, coordinating with international participants, and supporting the execution of cross-cultural exchange programs.

Through this experience, I developed skills in **communication, stakeholder coordination, event execution, and international collaboration**, while working in a fast-paced, youth-led global organization focused on leadership development and cultural exchange.

Million Dollar Round Table Member(MDRT) February 2025 - March 2026
Aditya Birla Capital *Hybrid*

Helped clients with wealth planning, insurance mapping, and long-term financial safety. Closed policies worth **Rs.50L+** during MDRT qualification cycle becoming the youngest MDRT qualifier.

INTERNSHIPS

AI/ML Engineer and Data Annotation June 2025 - Present
Rashtram School Of Public Leadership *Sonipat, Haryana*

- Built "Rashtram AI", a RAG-based system that simplifies government bills, and acts for public understanding.
- Engineered retrieval pipelines, embeddings, and structured outputs to explain policy impact on daily life.
- Developed a meaningful use case for UPSC aspirants by generating simplified, accurate interpretations of complex legal documents.

Hiring Research and Strategy Intern January 2025 - April 2025
Rishihood University *Sonipat, Haryana*

- Built a college-wide student analytics model to record certifications, academics, experience, and daily progress.
- Improved hiring insights by 30% using skill-based mapping and talent scoring.
- Conducted research for talent development frameworks.

PROJECTS

Zomato Delivery Analysis ([Github](#)) ([Demo](#)) April 2026

- Analyzed Zomato delivery data (45K+ records) to identify key drivers of delivery delays including traffic, weather, and batching
- Built ETL pipelines, performed statistical analysis, and created Tableau dashboards
- Delivered actionable insights and strategies to reduce delivery time by 15% and improve operational efficiency

- Analyzed 90K financial transactions to uncover revenue leakage, payment failures, and operational inefficiencies
- Built a KPI-driven Google Sheets dashboard with data cleaning, feature engineering, and dynamic analysis
- Delivered insights on VIP risk, payment reliability, and recovery strategies to improve revenue capture and decision-making

CERTIFICATIONS

Open Source Contributor Hacktoberfest ([Link](#))

September 2025

Contributed 15+ high-quality PRs across reputable open-source repositories in the past two years, earning the SuperContributor badge along with multiple complimentary badges for code quality, consistency, and community engagement.

SKILLS

Computer Languages: Python, NoSQL, SQL

Data Tools: PostgreSQL, NumPy

Software Packages: Pandas, Prisma ORM, Scikit-learn, SciPy, MySQL, MongoDB

Additional Courses: Data Structure

Soft Skills: Time management, Decision-making, Critical Thinking, Presentation Skills, Communication Skills

Others: Tableau, Entrepreneurship, Spreadsheet, GitHub Actions

EXTRA-CURRICULAR ACTIVITIES

- **Tech Fest Organizing Committee — NEUTRON:** Secured sponsorship proposals worth **Rs.2.5L+** across **12+** corporate connections. Enhanced negotiation, communication, and outreach strategies.
- **Finance and Investment Enthusiast:** Actively manages personal investment portfolio and researches market trends to build financial literacy.
- **Public Relations and Sponsorship Experience:** Engaged with brands, negotiated deals, and built long-term relationships during college fest sponsorship drives.
- Completed a 13-day guided program **Inner Engineering program:** Developed improved focus, emotional resilience, self-discipline, and mental clarity through yogic practices and guided awareness sessions—enhancing both personal balance
